Everett Ferguson

An Excellent Study for Bible Classes!
• 13 Chapters Arranged for Bible Class Study
• Questions Included for Group Discussion

Living and Worshiping as the Body of Christ is a compilation of some of Everett Ferguson’s writings over the past several years. Brother Ferguson is a Bible scholar of the highest rank, and yet, he is obedient in spirit and deeply concerned about discerning the teachings of the text of the Scriptures and applying them to our present challenges and questions. Since he has been and is one of our leading church historians on the life and worship practices of the church of the first century, his works are a very important resource for the church today. The church, the people of God, is a central theme of the Bible. The studies in this book will increase understanding of the church and enrich appreciation for its importance in God’s plans. Studies include the following:

- The Nature of the Church
- The Ministry of the Church
- The Christian Priesthood
- Purposes of the Christian Assembly
- Misunderstandings of the Assembly
- The Worship of the Church
- The Fellowship of the Church
- Music in the Assembly
- Biblical Authority and the Lord’s Supper
- Leadership in Christ
